

Excess revenue

921. (1) The Supervisory Authority shall apply any excess of its revenue over its expenditure in any financial year to meet its programme of expenditure approved for the subsequent year under section 911, and the amounts payable under sections 914 (2), 916 and 918 for the subsequent year shall be appropriately reduced.

(2) Money in, or set aside for, the reserve fund shall not be considered revenue for the purpose of this section.
